

Bayshore Annexation Moves To Final Stages

Annexation of Bayshore to Daly City moved one step closer Monday night when the City Council canvassed the vote of last week and heard the first reading of Ordinance No. 581, approving the Bayshore Annexation.

Official tabulation of the vote showed 659

ballots cast with 543 in favor of annexation and 116 opposed. The precinct breakdown was Consolidated "A," 251 votes cast, 203 yes, 48 no; Consolidated "B," 301 votes cast, 245 yes, 56 no; Consolidated "C," 69 votes cast, 59 yes, 10 no; Absentees 28 votes cast, 36 yes, 2 no.

New Water Line Lowers Pressures

Construction and laying of an eight inch cast iron water main in upper Daly City has been completed which will lower water pressure to many homes.

The new line, installed at a cost of approximately \$39,000 by Dale Williams of Daly City will lower the pressure from highs of 170 pounds per square inch to a maximum of 110 pounds per square inch.

Householders along the new line will have a marked benefit in the use of automatic washers, as these machines are usually designed for a maximum pressure of 125 pounds per square inch, and higher pressures cause breakdowns and quick wear.

The city budget will also benefit as the lower pressure requires less electric power in the pump house, and is expected to lower the \$80,000 annual power bill for the water department.

City Attorney Paul Huff

said that 30 days after the adoption of the ordinance, and upon filing with the secretary of state and county recorder the annexation would be final and Bayshore would become part of Daly City.

He warned, however, that one possible stumbling block existed, the right of an individual to file "Quo-Warranto" with the attorney general to contest the annexation. A 90-day statute of limitation applies.

According to Huff, this action can be filed by a resident of the area, in which time the city would be notified and the proceedings analyzed. When questioned as to members of the Board of the Cow Palace taking such action he stated that the attorney general would be in the peculiar position of representing the people of Daly City and the Cow Palace as a state agency.

"I don't think that he can be on both sides at once, and his duty to the people comes first," he said.

Councilman Bob St. Clair

thanked the Bayshore people for their support against "the Barons of the Cow Palace" in the annexation. He then asked that the staff prepare plans and call a special meeting to show how Bayshore would be integrated into Daly City, particularly fire and police.

City Manager Ed Frank assured the council that such plans were under way and that the city would be prepared when the annexation became effective.

Tax 'Windfall' Brings Daly City \$118,300

Daly City's fiscal year of 1962-63 ended on a cheery note, primarily because of two "windfalls" totaling \$118,300 not part of the original budget, according to Joe Arch, finance director.

As a result of the special census taken in November of 1962, and certified on January 1, 1963, the city received an additional \$52,500 in motor vehicle and in lieu taxes. The budget estimate had been \$232,000.

Sales tax revenues a little over \$470,000 estimate for the fiscal year.

In addition, gas tax funds in the amount of \$24,000 are available for road work when requested, said Arch.

Because of the increase in assessed valuation of Daly City, Arch estimates that an additional \$70,000 in property taxes will be available for the 1963-64 fiscal year.

City Employees New Standards

Salaries Increased; Hours Not Changed

Wages and hours of city employees came in for a review at the meeting of the City Council, and the wages won, but the hours were rebuffed.

Crux of the debate was whether certain employees now working 37½ hours per week should have to work 40 hours per week as do most of the staff. At the same time a salary increase of 2½% for all employees and up to 7½% for specified job-holders was to go into effect.

Frank Gillis, business ag-

ent for the Daly City Municipal Employees Union Local 919 protested the increase in hours, stating that in effect some employees increase in wages would be offset by increased hours. He asked that the matter be sent back to the Personnel Board for review.

City Police Chief Perocchi, "speaking in behalf of the women employees" contended that this was "a spur of the moment decision" to increase working hours, and that "in fairness the people involved should have an opportunity to review the plan." He also recommended that the matter be sent back to the Personnel Board.

When Councilman Bob St. Clair asked "Are the hours to be worked stated on the applications?" vigorous nodding by members of the audience was substantiated by City Manager Ed Frank who said that applications for clerical help states 37½ hours.

Frank went on to state that the reason for the adjustment in hours was that "we have people working side by side, one for 37½ hours, the other for 40 hours. We want to establish a 5-day week, 8 hour day which is

common in most cities. If an increase in pay is given, the hours should be adjusted at the same time."

At this point Councilman Frank Pacelli suggested that a job re-classification was in order, and the council referred the matter back to the Personnel Board.

The council then passed the resolution adopting the schedule of wages with increases ranging from 2½ to 7½ per cent.

In a final word, St. Clair pointed out that if the recommendation comes back from the Personnel Board that a standard work week should be established, the council may then take action.

Westlake Stores Are Open
Wednesday & Friday Nights

NICK (or normally Forrester) Nicholson, contemplates his steamship ticket which he thought would leave him in Southampton. It doesn't. Last seen, he was driving east muttering something that sounded like Rotterdam.

Times-Record Ad-Man

Magellan On A Motorcycle

By DONALD DOE

The word adventure summons the exploits of seafaring men, the charge of Napoleon's cavalry under Joachim Murat and Ulysses' wanderings.

Dreams are spun of such stuff, usually evaporating at the flick of a light switch or on the approach ramp to the freeway, but occasionally an adventure becomes so real it refuses to disappear.

Three days ago, Forrester Nicholson (Nick to dozens of Daly City and Westlake merchants) left his apartment in San Francisco's Pacific Heights after leaving his position as display advertising salesman with the Times and Record last Friday.

Today his eight-year-old Ford is somewhere east of Denver, bound for Chicago on U.S. 40. People are expecting him in Montreal, P. Q., and his parents are planning a reunion in Wellesley, Mass.

It will be a short reunion. The ship, the S. S. Waterman, leaves New York on the 23rd of July.

When Nick Nicholson boards the Dutch liner at its Hudson River pier in New York, his "American dream of traveling around the world will have begun. On August 1 he will arrive in Southampton, take a train to London and drive with friends of a friend (blonde) to Nottingham. After buying a motorcycle, he will go north to Dundee and Edinburgh, Scotland, to visit "an uncle named Harry—he spent 23 years in Calcutta" and visit the home of his clan, Clan MacLeod.

Nicholson will then go south

to Dover, cross the channel to Calais, then go north to Holland through Bremen, 20 miles from the North Sea coast of Germany and into Denmark and northern Scandinavia.

His plans put him in Hamburg by late October, on the French Riviera, then the Italian Riviera by mid-November, and an overnight stop from the southern tip of Italy to Greece before winter.

Then Asia. Crossing the Bosphorus Straits into Turkey, Nicholson will leave the West and the forces that produced cities like Copenhagen and Paris; or industrial plans like Milan. From Turkey will come Syria, Jordan, then Cairo, Port Said, then Damascus, and into Baghdad, Iraq.

After exploring Tehran, Nicholson will leave Iran for Afghanistan, taking his motorcycle through Khyber Pass down into Pakistan and into Asia Minor. After traveling south to Bombay, he will

for a reunion with the people left back in Montreal, the motorcycle will be loaded on a train for Darjeeling at the top of India, bordering on Nepal. This is the city where the mountain climbing assaults on the Himalayas are made up. From there, he said, "it's a little fuzzy."

Somehow, Nicholson, cum motorcycle, will get to Hong Kong and from there go on to Japan. From points in Japan, Nicholson will catch a freighter to San Francisco.

In explanation of his global jaunt, Nicholson stated that "I first got anxious when I was on Nantucket Island (off Cape Cod) for a summer session."

Westmoor Summer School

From Typing Class To Space Science

By DONALD DOE

The days of the one-room school house, that closed before the summer began and did not open again until early fall, are, very clearly, very much in the past.

The modern, sprawling high school, with interior colors keyed to psychologists' reports, have become centers of the community that barely graduate the senior class before reopening their classroom for a summer session.

The Jefferson school district opened its summer program June 19 at Westmoor and will maintain a full schedule of two-hour morning classes through August 9. The regular classes are basically of a remedial nature, according to Lou Martin, summer school principal.

The regular classes cover everything from something called design and materials to developmental reading. The program encompasses algebra, posture and exercise, business machines, French, chamber choir, and foods.

There are 65 separate classes on 35 different subjects, and it takes 51 teachers to handle the 1,115 students still enrolled in the program. According to Principal Martin, the students review subjects or take courses they don't have

time for during the regular school year. For each course taken, the students receive five units of credit, providing they pass the course.

Something New

There is something new this year, something, as Martin described it, "for the better student, not necessarily for the high IQs, but for the highly motivated student."

Called "Enrichment Classes" for lack of a better title, they involve an exploration of subjects like Communism, space science, aeronautics, and psychology. There are also classes for the band and orchestra, and a course devoted to "Books and Ideas."

The course "About Communism," taught by George Griffin, begins with an historical study of Utopias, beginning with the early Christian era.

The students are given a firm grounding in the history of socialism, the source of Marx's ideas, as well as a solid study of Marxian doctrine," Griffin said. The course then pursues the development of Russia under Lenin, analyzing the events of 1905, 1917, the rise of Stalin, and the "events through World War II and after."

Classes are conducted like a college lecture course, with the students required to read a minimum of six books on "virtually anything relevant" to the course.

"Books and Ideas" is a course that, under Don Behm, "stresses the ideas rather than presenting an historical development of the novel."

According to Behm, the course covers literature from Huckelberry Finn to Faust. Authors such as Miller, Porter, Faulkner and James Joyce are read for the ideas involved— "seeking the reaction to the truths seen, rather than a strict analysis."

The course, divided into two groups, one for freshmen and sophomores, the other for upperclassmen, has no formal lectures.

Both of these courses were piloted in the adult evening classes.

Aeronautics is an entirely

Verducci Declares For County Supervisor

Joseph J. Verducci, Daly City mayor, president of the San Mateo County Council of Mayors and a national figure in athletics and education, today declared his candidacy for Supervisor from the newly realigned fifth district.

Announcement followed a lengthy meeting with Alvin Hatch of Half Moon Bay, chairman of the San Mateo County Board of Supervisors, who for 27 years has represented the Coastside district. Verducci met with Hatch to discuss present and future county problems.

The fifth district, which was realigned January 22, 1963, includes Daly City for the first time. Hatch has announced he will not seek a new term at the supervisory elections next June.

A councilman since 1952, and mayor for half those 12 years, Verducci, 52, originally entered politics because he

felt that "it's a citizen's duty to make himself available for serving his community. Too many of us sit back and let the other guy do it. Some of us are too bashful to get mixed up in a campaign. Either that or we consider the scramble undignified."

"In a democracy there is no room for false dignity. Bashfulness is not a virtue in politics. Otherwise, the professionals take over."

An immensely popular man because of his leadership in civic affairs and education, Verducci serves as vice president of the League of California cities.

He said he had received wide support for his candidacy from leaders of government, labor, business and professions throughout the county based on his record of achievements during the past 25 years in public service. These people, he explained,

had urged him to make his intentions known now even though the election is almost a year away. He said he would launch his campaign immediately. Commitment in each community in the county are already being organized to support the Verducci candidacy.

Verducci, dubbed "Little Joe" in 1931 when he became one of the smallest quarterbacks in Cal history at 5-6 and 155 lbs., has been director of Athletics for San Francisco State College since 1950, and until 1960 served as head football coach. Until recently, he had served as assistant dean of students.

Despite his size and weight, Verducci was one of the few California athletes to twice win the Andy Smith Memorial Scholarship for inspirational leadership.

Verducci has also received

(Continued on Page 10)

JOSEPH J. VERDUCCI, mayor of Daly City, has declared his candidacy for supervisor of the fifth district of San Mateo County.

JUHS District Plans Develop

Plans for additional construction and repairs for the four high schools of the Jefferson school district will be a step closer to completion by the end of this week, according to District Superintendent Edward Morgan.

Bids for the replacement and repair of portions of the Westmoor hot water system, made necessary after the development of the 13,000 gallons-per-day leak, will open Friday at 2 p.m. The major

work will involve the installation of a new roof line, bypassing the sub-surface line, running to the cafeteria.

Responsibility for the replacement of the pipe, which was caused by improper wrapping of the insulating material, has been the subject of much correspondence from the Jefferson district office. This week a meeting will be held with the Phillip Carey Company, sub-contractor supplying the insulating material, and the district office, represented by Superintendent Morgan, the district attorney's office, and the architect.

Theo G. Meyer & Son, general contractor for Westmoor, and Paul Bradley, plumbing contractor, have been invited. The Phillip Carey Company has stated in its letters that there is no legal responsibility, but has requested the meeting because "as a client, the district should be satisfied." Morgan said that he did not know what sort of settlement would be arrived at. He added that it now appears that the district will be able to use bond funds to finance the repairs to the water system.

Daly City Girl Drowns

13-year-old Veronica Tomlinson of 477 St. Francis boulevard, Daly City, drowned last Wednesday when a pair of youngsters playing in the Russian River upset the canoe in which she and three friends were riding. The accident happened near Rio Nido.

Sonoma county sheriff's office, investigating the girl's death, said that two boys rocked the canoe being paddled by the four girls until it was overturned. The other children were quickly pulled from the river, but Veronica, a non-swimmer, sank swiftly. Her body was recovered with a drag line by deputies from the sheriff's office.

Kid Pirates to Parade At Westlake Center

Pirates, large and small, will descend en masse on the Westlake Shopping Center Saturday morning.

Gaily costumed in the style of the buccaners of old will be youngsters of North San Mateo county who will participate in a big parade starting at 10 a.m.

According to the Pirate chief, all entrants for the parade should arrive at the center no later than 9:45 a.m. in costume at the corner of Windsor drive and Southgate avenue, next to the library.

The parade will proceed down Southgate to the shopping center where costumes will be judged. Prizes will be awarded to the best "boy pirate" and best "girl pirate." There will be free treats and balloons for all boys and girls entered in costumes in the parade, and merchandise certificates for winners.

No entry blanks are necessary, the parade being open to all kids.

Going boating? If so, Red Cross says always play safe with the weather. Stay ashore if bad weather threatens, and if you're on the water, head for shore at the first sign of rough weather.

District to Discuss Budget

Final approval of the budget for the next fiscal year is expected to be made at the meeting next Monday night of the North San Mateo county Sanitation district.

Two weeks ago the board considered a tentative budget of \$706,243, as compared to last year's budget of \$460,455. Cuts have been made to attempt to keep the tax-rate at the same level.

Major reason for the increased budget is the construction of a submarine outfall line in the vicinity of Thornton Beach which is expected to cost approximately \$335,000. Increases in salaries to district employees may make a jump from \$68,400 to \$104,595.

The sanitation district has \$357,066 on hand and must raise \$349,276. It has an assessed valuation of \$72,750,000. According to Board Chairman Frank Pacelli the district does not anticipate a raise in the present tax rate of 48¢ per \$100 assessed valuation.

Also to be considered are applications for an engineer and general manager. As yet, no closing date has been set for applications, which will be screened by a special committee.

According to Pacelli a meeting will be held today with representatives of the Water Pollution board to discuss the 18" outfall line. Attending the meeting will be Pacelli, district engineer C. L. White, plant superintendent Larry Guilfrida and Bob Eberle of Brown and Caldwell, project engineers.

Mayor's Father Passes Away

Giuseppe Verducci, father of Daly City's mayor and long-time resident of this city passed away Sunday night at San Mateo General Hospital following a long illness.

A native of Italy, he came to Daly City in 1915 and for 45 years was in the poultry business. He was 78 years of age at the time of his death.

A Requiem Mass will be said at Our Lady of Perpetual Help Church at 9 a.m. today with interment at the Italian Cemetery.

He is survived by his wife Anne, sons Joseph, John S. and Frank R. Verducci, six grand children and one great-grandson.

Arrangements were made under the direction of W. C. Lasswell & Co.

No Trade in Sight for Daly City and Pacifica

There was a meeting of the bodies, but not of the minds of Daly City and Pacifica councilmen last week. The occasion was a dinner meeting at Vals on July 2. The subject was a land swap in the area of the Edgemar Freeway.

Both city councils have recognized that a re-alignment of city boundaries at this point can be advantageous. The slope of the land makes part of each city better fitted to be in the other.

The crux of the discussion is: How much of each should be swapped.

Daly City has suggested that all the land west of the Edgemar Freeway, from the present city limits to the ocean, should come to Daly City. It amounts to about 100 acres.

Pacifica, on the other hand, is willing to give up only 66 acres, which includes a school site. In both cases, Daly City will give Pacifica 33 acres in return.

No decision was reached at the meeting as only one Daly City councilman was present, while four members of the Pacifica group attended.

From Daly City were Mayor Joe Verducci, city manager Ed Frank and city attorney Paul Hupf. Pacifica was represented by councilmen Fred Ballew, Harold Minschew,

George Mason and Jean Fessler, and city manager Karl Baldwin.

Fire Causes Death for Daly City Resident

The Daly City fire department responded to a call at 30 Hillcrest Drive, Friday at 4:36 a. m. entered a smoke-filled, four room apartment to put out a fire that was scorching the bedroom. The police were called at 4:45, nine minutes after the fire was reported. Leo D. Roger, 38, and owner of a beauty shop in Millbrae, was lying dead in the adjoining room.

Drawers were found open and clothing was strewn around the bedroom leading the fire department to suspect foul play.

Witnesses told Sargeant Terry that Rogers was a heavy drinker and that he had come home "under heavy intoxication" that night. Analysis proved that Rogers had absorbed enough alcohol to be very nearly unconscious, Terry said. There were no marks or bruises on the victim, death coming by asphyxiation. "He lived alone," Terry said. "I guess he didn't like it." The fire apparently started with a cigarette igniting the mattress. The death was accidental.

The California Legislature in 1962 offered a \$3,000 premium for the first 100 bales of cotton of 300 pounds each produced in the State.

AN AMAZING NEW BREAKTHROUGH HELPS YOU PLAY THE ORGAN INSTANTLY!

Slide up your life with the fun, excitement and relaxation of creating your own melody. Now, the satisfaction of playing a musical instrument has been achieved only after years of tedious study. Now, the new and exclusive Thomas Color-Glo Transistor Organ lets you play instantly!

Can you match a color with a color and a letter with another letter? Then you can... and that's all you need do to make music on the new Thomas Color-Glo Organ! Through the miracle of electronics you and every member of your family can play complete songs with melody, harmony, and bass notes instantly!

Touch the magic switch again and the amazing Color-Glo lighted keys disappear leaving a beautiful printed organ console that will be the focal point... the most admired piece of furniture in your home. Your colorful music teacher is your guest!

Drop by today and prove to yourself you can play. Start your family on their musical adventure. Demonstrate your musical talent to your friends this weekend!

NOT A CHORD ORGAN NOT A SHORT CUT GADGET COLOR-GLO SHOWS YOU THE CORRECT NOTES AND CHORDS TO PLAY

YOU CAN OWN A NEW THOMAS TRANSISTOR ORGAN FOR AS LITTLE AS \$499

First National Bank Report Of Condition

A report of condition of the First National Bank of Daly City has been filed with the office of Comptroller of the currency shows total Assets \$1,819,550.82 as of June 29, 1963.

County Fair and Fiesta On Schedule Despite Loss of Main Building

The 29th annual San Mateo County Fair and Floral Fiesta, set for August 2-15, "will go ahead on schedule

next month," despite the loss of the main fiesta building, Ed E. LeVesconte, fair board president, declared Tuesday.

In fact, LeVesconte predicted, redesigning the entire show will give the fair an entirely "new look" and "we are sure our visitors will be pleasantly surprised."

The board of directors met with fair manager William M. Wilson, fiesta designer Eric Clough and county officials in emergency session after the main hall of flowers was ordered closed by the county board of supervisors. The huge hall, built in 1948, was declared structurally unsafe by a consulting engineer retained by the county.

The fair board affirmed its intention to keep the famed flower show "the key-stone of the fiesta" even though its would have to be moved to another building and reduced slightly in size. The floral exhibits will be relocated in the Twin-Industrial building.

Although use of the Industrial building for the elaborate floral displays will mean relocation of some commercial exhibits in huge tents adjacent to the carnival grounds, LeVesconte said, "we will emphasize the flower show as we have in the past. I am sure our commercial exhibitors will bear with us in this emergency."

New Overpass For Students At Schools

A new overpass for pedestrians near the Fernando Rivera school has been put in place. The 60-ton structure was built by the Jefferson Elementary School District to provide safe access over heavily traveled Lake Merced avenue for students in the Westlake Estates area to Westlake Park and Fernando Rivera Schools.

The overpass was constructed by the Lippert Construction Company, and the use of different batches of concrete resulted in a slightly two-toned effect which will be rectified by application of a thin coat of cement over the entire structure.

Cost of the structure was \$39,000.

SCHOOL'S OUT—These shots, 1,115 other students left from Monday's classes at Westmoor High School.

OLM Leopards Take All-Stars

Al Antracoli's league-leading OLM Leopards and Les Bastedo's National Division All Stars fought a hard-fought battle at Marchbanks Park on July 4. To celebrate the national holiday, the teams traded the lead 3 times. Coach Antracoli sent Speith, Roche and Gilmore to the mound for the Leopards. Speith held the All Stars to one hit for the first three innings.

The All Stars collected 8 other hits of Roche and Gilmore. Carrara, Morton and Bias shared mound chores for the All Stars and allowed the Leopards 12 hits they turned into 10 runs. Hampton, Antracoli, Irvine led the Leopards to attack 2 hits each. Roche, Gilmore, Speith, Arnke, Mitchell and Schoenstein all joined the OLM hit parade. All Star power was shown when Contreras and McArthur blasted 2 run triples. Dillon, Gentile, Garibaldi, Lessor, Brimrose, Carrara and Morton all hit for the All Stars.

Page 8 WESTLAKE TIMES & THE RECORD Wednesday, July 10, 1963

All Stars Win Junior League

George Pedroni's mighty PAL Tigers fell before the determined onslaught of the Junior League All Stars. Ron Mini and Mary Smith gave the All Stars the edge. Mini and Smith shared mound chores with Mike Chelone. Chelone had trouble finding the plate and through his wildness and 3 hits, the Tigers scored their only runs. Ron Mini and Mary Smith gave up one hit each to Tiger batters.

Bob Nolan, Alan Stanley, Telvis Jones and Duane Morin held down the mound for the Tigers. Jones and Morin put in creditable performances but Nolan and Stanley were used badly by the All Stars.

Final total — All Stars 7 PAL Tigers 5 in a bang up ball game. Bob Kramer, All Star coach, can take the memory of win over the mighty PAL Tigers with him when he goes into army next month. Coach George Pedroni, the players on the All Stars and Daly City baseball fans thank him for his efforts on behalf of Daly City Youth in the past and wish him luck in the future.

Golf Instruction At Sharp Park

Youngsters interested in learning the fundamentals of golf may enroll in the Dackler Recreation Department golf classes held on Thursdays 2:00 P.M., at the Sharp Park School. Bring your golf club and the \$3.00 registration fee, and you'll be all set for a summer of fun learning to play this game of the pros. Information call: 855-4151.

Daly City All-Stars Lose to S.S.F., 10-4

The Daly City Fourth of July celebration was marred by the defeat of the Daly City Intermediate All-Stars by the South San Francisco Intermediate All-Stars, 10-4, at Westlake Park.

Credit for the win goes to three South San Francisco hurlers, who gave up a total of only five hits.

South San Francisco got off to a great start at the expense of Russ Runge. Runge's delivery in the first inning was wild and fat. After walking Kevin Coyne, Gary Tro- no, Willie Ergas and Craig, Galli blasted out a single to account for two runs.

Then a wild throw to second by catcher Jeff Becker accounted for two more runs. Runge settled down for the next three innings but landed back in hot water again when Craig Galli smashed a terrific double to right field.

for more runs in two hits. The game was fine, despite the 10-4 score. All the participants played outstanding baseball.

The Daly City boys gave a fine account of themselves, considering the fact that this is Daly City's first year in the intermediate size diamond. There was a large turnout of parents and fans to support the boys from both teams.

The ceremonies preceding the game were highlighted by a short talk by Councilman Michael deBernardi.

DeBernardi, the winning pitcher in the last city employees versus Daly City fire department game must still be feeling effects of that effort. He called upon Judge Becker to help him throw the first ball. Together they did an excellent job of tossing to little Tom Feeley, one of the All-Star bat boys.

The PAL Cubs, at 8:30 Thursday morning, July 25th will board a bus for Los Angeles for a road trip that's to commemorate the team's and the coach's final season. Bob Kramer, having just received his M.D., will be entering the Army, while all team members will be attending the new Jeff next fall.

The first of their three game swing in the "southland" will be played Friday at Olive Memorial Stadium in Burbank, after which they will travel to Lenny Bruce's "heavenly land"—Chavez Ravine—for the Dodger-Phillies game.

Providing the team can still move, they will play a double header at the Garby Ranch Park in Monterey Park, facing the Sports Club Triple A All Stars. Barring fatigue, the Cubs will tour a movie studio that night, returning to Daly City Monday night.

Tennis Classes At Pacifica

After the first week of tennis lessons, the Pacifica Recreation Department reports that the registration is a record low for summer instruction. Youth and adults are urged to take advantage of the opportunity to learn to play tennis.

Lessons are held on Tuesdays and Thursdays at 10:00 a.m. and at 1:00 p.m. If anyone is interested in joining the class, the three dollar registration fee will be accepted at the class times. Instructor Ervin Keen will provide the tennis balls, however all participants must bring their own racquet and must wear tennis shoes.

Winners at Cypress Hills

Wednesday was Tee off time for Cypress Gals instead of the usual Thursday. Class A: winners Mrs. S.K. Stranger 45-11 1/2-33 1/2, Mrs. Edison Phillips 42-7 1/2-34 1/2. Class B: Mrs. Raymond Coyne 48-12 1/2-35 1/2, Mrs. George Rayhill 48-12-36. Class C: Mrs. Ambrose Plattner 49-15-34, Mrs. Charles Callender 51-15-36. Next weeks play will be Medal Play for regular members and Low Putts for guests.

Noonan Remains Head of Jeff School Board

The Jefferson Elementary school district re-elected Thomas Noonan as its president at the annual organizational meeting Monday night.

Other officers include Dr. Donald Calvert, vice president; Mrs. Katherine Mullen, clerk; Joseph Lewkowitz, vice clerk; and O. Wayne Douglas, trustee representative.

The board voted to adopt a compromise between a move made by Lewkowitz to change the meeting dates to the second and fourth Mondays of the month, and suggestions from the rest of the board. The board will now meet three times a month.

1-0 Shutout In Tri-City Ball

Excellent pitching again dominated Sunday's play in the Tri-City Summer Baseball League sponsored by the Daly City recreation department.

Paced by the shutout pitching of Mike Kraich, his second straight, the Westmoor BYA nine edged a tough South Sunset A.C. Club, 1-0, in eight innings of play at Marchbanks Park.

Consecutive singles by Jim Duport, Bob Brodie and Karl Fleischauer in the bottom of the eighth notched the hard-earned victory for the fire-

balling Grinch. The young Westmoor pitcher's 13 strikeouts and six-hit chucking matched his two-hit, 11 strike out victory of last week.

Denny Santo's tough six-hit pitching wasn't quite enough as the South Sunset club lost its second one-run game of league play.

Getting the big hit when they needed it was the story of the San Francisco Saints' 3-1 victory over the previously undefeated Jefferson A.C. on Saturday.

Jim Weber's fine four-hit hurling and the all-around play of his club were instrumental in the defeat of the George Benson-coached Jefferson club. George Egan's three-hit pitching and Dan Caffarella's and Frank King's hitting were not enough to stave off defeat.

Next Sunday's top game will feature the battle between the two undefeated clubs, Westmoor BYA and the San Francisco Saints at Marchbanks at 12:30.

Rounding out Sunday's slate will be the Jefferson AC-Balfett Construction tilt at 12:30 at Colma, and the South Sunset AC-El Camino AC tussle at 3 o'clock at Marchbanks Park.

Midget All-Stars Beat PAL Giants

The American League Midget All-Stars celebrated the Fourth of July by defeating the league-leading PAL Giants, 7-3. After two scoreless innings, All-Star's Don Gordon of OLM beat out a well placed bunt. Tom Denning of OLPH then smashed a hard double to right center, knocking in the first All-Star run. After Tom Scott of Holy Angels hit a single, Ed Schweitzer of OLPH unloaded with a three-run homer, putting the All-Stars ahead, 4-0.

These proved to be all the runs necessary for the All-Stars to gather the victory.

The PAL Giants bounced back in the eighth to score another lone tally on a triple by Don Shotts, followed by the second All-Star error.

Two defensive plays by the All-Stars which halted PAL Giant rallies were a fine running catch in the first inning by Jim White of PAL Redsox and a well executed relay in the eighth inning going from Steve Azzarello of PAL Redsox to Marc Holmes of BYA. George Harrison to Abe Shaffer of Misracks.

The game was attended by a large and enthusiastic crowd which appeared to appreciate the opportunity to observe the outstanding players in the American division of the Daly City Midget Baseball League. Congratulations to coaches Chuck McGuigan, Joe Cardera and Cornell Holmes for a job well done.

Weed Clean-Up On Alemany

A crew of high school and college students has been employed by Daly City to clean up the weeds growing in the divider strip between Alemany and North and South Mayfair avenues.

At present the strips are planted with ice plant, which has permitted noxious weeds to grow. These will be removed and the area treated with weed killer, then shrubbery will be planted according to city engineer Bill Chapman.

Serra Bowl News

The most successful event of the year at Serra was last week's holiday Scotch Doubles, an expanded version of the regular Wednesday night event.

With about 700 couples in competition in the five-day tournament, you can be sure it was a hectic Fourth of July week at Serra Bowl.

In the special Junior Scotch division, more than 100 entries were recorded with Jim Leatherberry and Carol Pettigrew taking home the Serra-donated trophies for top spot in this event with a handsome 684 score.

The growth of interest and spirit of competition in youth bowling was never more apparent than in this tourney, with more than 30 of the young twosomes totalling over the 600 mark for three games.

Dick Gormley, bowling for the Sport Center No. 1 team in the Metro Mixed Traveling League, helped his group to a three-game sweep over the Lincoln Bowl No. 2 team on a fine 220-624 series. Bob Johnson topped the losers with 557.

Dennis Coffey posted a nice 231-548 in the Monday Mets League as his Dink's team lost two of three games to Bob Ostrow's boys.

Rich Rancatore accounted for some real top flight shooting in the Floyers League last week as he punched out a steady 203, 199 and 202 for a nice 604 series and led his team to a victory over John's Auto Supply by a margin of four games to nothing.

Top handicap league score of the week was posted by Art Faix who tallied 242 in his 554 series in the Tuesday NIGHT OWLS loop.

Don Barton topped the scratch shooters with his 258-606 trio in the 850 SCRATCH league as Drake Realty swept all the points from the Aetna Roofers.

W'laker Finds Lost Tahoe Boy

Westlake's Ted Schroth of 801 Southgate avenue was the volunteer credited with the finding of a lost child last Friday in the heavily timbered area west of Echo Summit, near Lake Tahoe.

The child, 2½ year old Frankie Williams, had been missing since approximately 6:30 p.m. Thursday evening and was found by Schroth the next morning at 9:45 a.m. after an all-night search.

With Schroth, when he found the child, were bloodhounds lent to the search by a Tahoe Valley woman. Frankies was reported in good physical shape when he was located and apparently suffered no ill effects from his over-night ordeal.

Search and rescue operations were directed by the El Dorado County Sheriff's Office, Al Tahoe substation.

The boy, son of Mr. and Mrs. John Williams of Fair Oaks, reportedly strayed from the back yard of his parents' cabin in the Tamarack Pines subdivision off Highway No. 50. He was found about half a mile from the home and was returned to his mother by the local search and rescue group, which included Schroth and approximately 70 volunteer searchers.

Also joining in the search, which started at 8 p.m. Thursday night were bloodhounds from Tahoe Valley, under the guidance of Lake Valley dog control officer, "Bud" Stachler and agencies including the El Dorado County Sheriff's Office, the California Highway Patrol, the Lake Valley Fire Department and the United States Forest Service. Horses from the Echo Summit Stables were also used.

Since 1950, the disabling work injury rate in California has dropped from 42 injuries per 1,000 workers to less than 32 per 1,000.

Workshop on Intergroup Relations

It is called a Workshop on Intergroup Relations. It will be held at the University of San Francisco July 22-Aug. 2 under auspices of USF's sociology and social welfare department.

"The title is a discreet way of saying that we intend to have a frank and honest look at the racial situation here," said Dr. Ralph Lane, USF sociologist and workshop director.

We're going to study the place of race in our society—

ethnicity is the sociological term for it. We'll consider it from the standpoint of biology, of history, of education, of legislation.

"We hope that out of our discussions will come a fresh perspective on what is needed to create better relations than now exist between Negroes and whites in this city."

Dr. Lane will be assisted in the two-week workshop by a Jesuit priest-sociologist from Baltimore, Father Conlin, S.J., of Loyola College there.

TOP DINING AND DANCING

It's the Il Manzo Steak House For the Finest in Gourmet Dining

Something new has been added in the line of fine restaurants for the Daly City, San Francisco and the San Bruno area residents. That something new is the IL MANZO STEAK HOUSE, located at 1144 Mission road in the Sunshine Center Shopping area in South San Francisco.

Only the finest of steaks, lobster and chicken will be served and in very generous portions. The Il Manzo will also feature a merchants' lunch daily except Saturday, from 11:30 to 3 p.m.

For entertainment, Cris Michaels and Jimmy Ware (formerly with the Ray Anthony Orchestra and also from Val's Redwood Room and Westlake Joe's in Daly City) will provide musical entertainment for your enjoyment each and every evening.

Dinner will be served from Tuesday to Saturday from 5 to 11 p.m. and on Sunday from 4 to 10 p.m. Although the dining room is closed Sundays, the cocktail lounge is open seven days a week from 10 a.m. 'til 2 a.m., with piano bar music every night. Call for reservations tonight at JU 9-6021.

Bulletin Board Given Library

Daly City Public Library was given a bulletin board poster on June 27.

The Scouts have been working hard on their Reader Badge. They learned that there are many more reference books than the encyclopedia to get information from. They also learned how and where to find all kinds of books.

To satisfy a star requirement to do something to help a library, they made the bulletin board. They are proud of their work.

Summer School

(Continued from Page 1)
new course taught by Joel Lassague, who during the rest of the school year teaches auto shop at Jeff. Lassague is uniquely qualified for the course, owning a multi-engine plane pilot's license, pointed to a "tremendous need for such a course—aviation and space industries are the largest employers in San Mateo County." The course delves into everything from soup to nuts, including aerodynamics, navigation, meteorology, as well as a study of radio and various engines.

Meeting four hours daily, the class has already been on field trips to the weather bureau and the communications center at San Francisco International Airport. Further field trips to the United Airlines maintenance base and other airports are planned.

The exotic field of space science, taught by Emmett Tierney, involves a study of propulsion theories and force fields.

School Plans

(Continued from Page 1)
Terra Nova Bid
The first bids entered for construction of the Terra Nova addition was refused by the state department of finance in its meeting with Superintendent Morgan last Wednesday, on the grounds that the low bid was \$31,000 in excess of the amount allocated by the state.

A revision of the construction plans are now being prepared by architects Falk and Booth, and will be taken out by contractors vying in the second round of bidding. If these bids are also in excess of the monies granted, another meeting with the department of finance will be necessary, Morgan said.

Final Site Work
Monday at 3 o'clock, bids were received for the final phases of construction at the old building is demolished, new Jeff, to be initiated after According to district business manager, Fred Godell, the low bid was entered by the Bernard Gayman Company of Sausalito in the amount of \$116,218.

The site work includes the installation of clay tennis courts, a retaining wall along Mission street, grading and landscaping. The high bid was entered by Adam Arras Company at \$178,133.

Gayman has done previous site work for the district at Terra Nova.

Magellan

(Continued from Page 1)
Cod) and the brigantine Yankee came in from an around-the-world cruise—I got invited aboard and met some of the people who sailed the square rigger all the way around."

A journalism major at Boston University, he plans to submit free-lance articles and gather a photographic journal of the trip, a trip that Nicolson estimates will take approximately a year.

And why is he taking a year?

"The thrill is to stand at the Roman Forum or the Parthenon. Or to stand at Khybur Pass looking toward Pakistan and visualize the hordes, the armies, their faces, as they marched through there. You have to be able to envision what all of it was like. If you are not a dreamer, I guess this trip wouldn't mean much."

A dreamer?

Verducci

(Continued from Page 1)
numerous local and national honors for his work in youth guidance and educational fields.

He lives with his wife Florence and son Jerold, 13, at 118 Wilshire Avenue, Daly City. The Verduccis have two daughters, Mrs. Florence Joan Armstrong of Berkeley and Diane Verducci of San Francisco.

Verducci remains active in civic and youth groups, serving on the Boy Scout Executive Board for San Mateo County, the Daly City Rotary Club, as a commissioner for the Pop Warner football league and a member of the board for the San Mateo County Health Association.

He is currently a member of the NCAA Football Rules Committee and head northern California scout for the Chicago Bears professional football team.

Airman S. M. Honey Gets Reassignment
Airman Second Class Spencer M. Honey of Daly City, Calif., is being reassigned to Perrin AFB, Tex., following his graduation from the United States Air Force technical training course for air traffic controllers at Keeler AFB, Miss.

D.C. Post Office Over a Month Behind Schedule

Construction of the new Daly City post office building, to be located on Sullivan avenue between 88th and 89th streets, has been delayed more than a month, according to Daly City postmaster Vincent Murphy.

A spokesman for the Robert and Jane Erving Company of San Jose said that arrangements with a general contractor have not yet been completed. The Erving Company has been given the contract to build the post office and lease the building to the government.

Bids Opened For Two Buildings

Bids for two prefabricated buildings for Daly City's corporation yard were opened Friday, with C. S. B. Construction Inc. of 800 77th Ave. Oakland as the low bidder at \$35,529.

The buildings will be used to house equipment of the water and street departments which have had to remain outside. Considerable amount of vandalism has been suffered by this equipment from youths climbing to the fence about the yard.

The city rejected bids on these buildings earlier, and asked for new bids for the Butler-type buildings, but specified a heavier gauge of steel. A much more substantial building was bid in for only \$200 more than the old bids.

Marine Training

Marine William M. Yriberry, son of Mr. and Mrs. Miguel Yriberry of 75 Evergreen ave., Daly City, Calif., completed recruit training May 30 at the Marine Corps Recruit Depot, San Diego, Calif.

Three weeks are spent on the rifle range, where he learned to fire the M-14 rifle and was instructed on other infantry weapons.

Bids Accepted For New Cars

Five new police cars and one new compact were auctioned Monday night.

A review of bids found Neville Ford the accepted bidder for all the vehicles, which are to be delivered in 30 days. The police cars were bid in at \$2,127.47 each, for a total of \$10,637.35, with \$425.49 sales tax or \$11,062.84.

Neville's bid of \$1,934.45 was accepted for the compact as they are a local firm. Other bids were \$1,975.81 from Wm. L. Sweeney and \$1,899.23 by Priola Rambler of San Francisco.

New Facilities Seen for Laguna

With the passage of the \$600,000 bond issue, and the six-million-dollar state loan authorized, Laguna Salada district officials have moved their plans into high gear.

The first of six proposed schools will meet the initial requirements of the Fairmont development. According to Superintendent Fred Lucas, the site has already been purchased, and plans for construction are in the final stages.

The first of the new facilities to be built with bond and state loan monies will be buildings in Linda Mar and in Portola heights. According to Lucas, there will be over 400 children without school facilities in the Linda Mar

area, and over 300 in the Portola heights area, by the 1964-65 school year.

Present plans call for drawing master plans for schools to house 700-800 students, while building only half of the schools at one time. By so doing the central utilities can be installed in the first phase of construction, thus saving money on the second phase, Lucas said.

Lucas said that through 1970 the district must build at least 26 class-rooms per year to keep pace with predicted population growth. For the next several years the population of Pacifica will grow at an estimated 15% increase per annum.

COLMA & ST. FRANCIS HEIGHTS STORES ONLY

It's SPARE TIME

The big day is approaching when the 50,000th child will be placed in the child care center of the Westlake Bowl. Whistles will blow and bells will ring as both child and mother will be presented with prizes. Many of the previous winners as each ten thousand was reached will be in competition for the biggest prizes yet offered.

Marie Rovers put her new ball to excellent use as she and Ed Worthington led the Ball and Chain Mixed Fives for the

week. Marie led the ladies with a 181 game and 479 series as Ed rolled 209 and 533 to top the men.

Art Krause shot a big 257 game to help him make a four game total of 883 as he led the Classic Doubles League.

Ray Garde and Steve Gotell both shot big games last Wednesday night. Ray led the Steepers Handicap with a 244 game and 594 series while Steve topped the Westlake Classic with a 243 game and 567 series.

Judy Nelson and Jack Gough were tops for the week in the 99's Mixed Fives as both topped the two mark. Judy had a 203 game and 539 series while Jack's 226 and 598 were high for the men.

An even 600 series, with a high game of 232, gave Irwin Penn top honors in the Westlake Knolls League.

The Fifth Annual Daly City Police Athletic League Benefit Bowling Tournament promises to surpass the previous four as more and more prizes are being received and entries keep mounting. During the first nine days of the Tournament \$1,123.00 was realized for the P.A.L. program with \$199.00 coming from the 3-6-9 feature. Another big event is planned for July 27 when "Merchants' Night" will be

held honoring all those who have donated prizes.

Joan McArthur took first prize in the Monday afternoon 3-6-9 Sweeper with a 793 total as June Tarczy took second prize and Emily Drago third. High game out of the money went to Mildred Garrett while Marion Frazier won the mystery prize.

This is "Learn to Bowl" month at Westlake as a four day per week program gets underway next week. With classes scheduled for four days each week, the course will include five lessons of free instruction in all phases of bowling. Reservations for classes on Mondays at 10:00 a.m., Tuesdays at 10:00 a.m., Thursdays at 2:00 p.m. or Fridays at 1:00 p.m. may be made by calling Rick Dreier at PL 6-5777.

Luella Brown led both men and women in Tuesday night's league activity as she rolled a big 235 game and 626 series to lead the Ladies 650 Classic League, plus all the other leagues bowling that night.

Upholding the honor of the men for the evening was Carlos Acosta who bowled a 237 game and 618 series to top the American Motors 900 Scratch League. Second place honors went to Dick Chalka with a 229 game and 611 series while Don Molteni and Rich Hendericks tied for third place with 607. Don shooting a 235 game while Rich's best effort was 212.

Dan Vitali and Bill Gregori set a torrid pace in the 815 Scratch League as Dan took high series with 627 shooting a 228 game while Bill rolled a

terrific 256 game and 621 series.

Mel Trince and Lorraine Shebunka were the leading pinmasters in the Southgate Mixed Fives League as Mel rolled a big 236 game and 597 series while Lorraine was the leading lady with 188 and 441.

Bill Perez led his fellow Marche Club members as he topped the two hundred mark, shooting 203 and 571.

Chamber Board To Meet Thursday

The board of directors of the Daly City-Colma Chamber of Commerce will hold a meeting Thursday noon at the Cypress Hills Golf Club. No regular meetings will be held during July and August.

Two Boys Apprehended For Pacifica Damage

The vandals that caused between \$8,000 and \$10,000 damage to the almost-completed Cabrillo school in Pacifica were apprehended last Wednesday by off-duty policeman Ray Karcwski. The vandals are two 12 year old boys.

The vandalism will cause an estimated 30 day setback on the school's completion date and may prevent the school from opening on time for the fall session. Floor tile adhesive was hurled against walls, ceilings, floors, and light panels throughout three class rooms, a hallway a kitchen, and a multi-purpose room.

The destruction was concentrated in the western wing of the north end of the school.

In addition to the damage caused by the tile glue, a substance that penetrates almost any surface deeply and rapidly, the youths broke 20 windows and smashed several glass doors.

Officer Karcwski took one of the boys to the police station Wednesday night where he freely admitted his part in the destructive spree. The youth was then taken to Hillcrest juvenile hall. The father of the other youth refused to allow the police to question his son "under any circumstances," causing the police to request a court order which would obligate the father to allow the boy to be questioned.

Karcwski was led to the boy now in custody by talking to youngsters that passed him on from boy to boy. The police said that the boy had never been in trouble before, but had been a companion of a troublesome youngster. It is the troublesome boy's father who refused to cooperate with the police.

The second youth, a 12 year old boy, was arrested Saturday under a warrant issued in juvenile court. He was also taken to Hillcrest juvenile hall.

The Pacifica police were forced to obtain a warrant from Juvenile Court Judge Bransen when the boy's father refused to allow his son to be questioned. The father also gave police the boy's clothing, smeared with the same type of tile adhesive that was hurled on the class room walls and fixtures. A search warrant, also obtained by police, was not needed as the clothes were volunteered as evidence by the father.

Council Notes

The following actions were taken by the Daly City Council Monday night:

Authorization was granted to issue business licenses to Duke's Canteen, 7301 Mission st.; Union 76 Service, Bismark and Mission sts.; A-1 Peninsula Office Machines, 6760 Mission st.; Gateway Chevrolet Co. new and used car reconditioning, 7360 Mission st.; Bob's Upholstery, 7 Market st.; and Watkins Quality Products, 12 Wellington Ave.

Accepted a petition for annexation of uninhabited territory known as the Lands of Pedemonte, submitted by Gus Pedemonte and referred it to the next study session. This is a small parcel consisting of a few lots.

Revoked the dance permit of "Ye Olde Firehouse" at 2159 Junipero Serra Blvd.

Accepted the completion of water line from Junipero Serra to Citrus Avenue.

Set in motion eminent domain proceedings for several parcels of land in the 90th st. assessment district. This is to acquire five foot strips parallel to streets to permit diagonal parking in the area.

Approved a resolution of commendation for John B. Drye, former member of the Personnel Board who has moved from Daly City.

Cancelled six out-dated warrants totaling \$158.05.

Heard the second reading of Ordinance 580 and the first reading of Ordinance 581, approving the annexation of Bayshore.

Turned down the request of Baird Advertising company for renewal of contract for advertising on trash containers. It was pointed out that the contract expired a year ago. Councilmen expressed the feeling that this type of advertising was not good and there was sufficient money in the budget to provide the city's own trash cans.

Vice Mayor Michael De Bernardi presided. The council adjourned in memory of Giacomo Verducci, late father of Mayor Joseph Verducci.

From A Feminine Viewpoint...

By Mona Baker

Summertime means boating time. Now the number one family sport in the nation is boating and certainly the local area confirms this fact. Each weekend finds hundreds of localities trekking off to Tahoe, Berryessa, Clear Lake for a boating weekend or a two-week vacation. Right in our own backyard, Lake Merced is covered with colored and sparkling white sails as local families skim gracefully over the blue lake in their sailboats.

One of the most active family sailing groups is the Blue Jay Fleet. Members participated in the Clear Lake Regatta several weeks ago and next month will be trailing their boats to Lake Huntington at Fresno for the Regatta. Local members of the Blue Jay fleet include Mike Gawon and the Bill Graves, Willina Sorenson, John Roas, and Hemmerly families. Practically every weekend the group travels around California for regattas or have their own events at Lake Merced.

Power boating too, has its enthusiastic group of localities. One of the favorite spots for boating and water skiing is Lake Berryessa in Napa County. The lake is 25 miles long, 3 miles wide and up to 275 feet deep with over 165 miles of winding shoreline. An important date for local families is July 21 when one of the newest resorts on the lake, Steele Park resort will hold the 1963 Northern California Outboard Racing Championships.

Among the other resorts on the lake is the Spanish Flat Resort which has been one of the most popular spots on the lake for the last couple of years.

Lake Berryessa is less than two hours drive from the Bay Area through beautiful winding hills dotted on the hillsides with orchards. If you have never been up there, do plan to set aside a Sunday and drive up. By the way too, most of the resorts have camping facilities but do check before you go if you plan to stay overnight because many times the campgrounds are filled.

Many years of dedicated service to her community has been given by our community leader this week who has been a long time resident of Daly City living first on Hilcrest Drive and now on West Moltke.

Thirteen years she has served on PTA boards. She is past president of Woodrow Wilson PTA and for two years was president of Jefferson High School PTA.

She has received a PTA life membership and next fall will serve as parliamentarian for Jefferson. She was Daly City chairman for the Mother's March of Dimes and has helped on all community fund drives.

Many years our community leader has devoted to Girl Scout activities, directing their day camp for five years.

She has also served on the Girl Scout Council and as troop leader.

She is now Associate Conductress of Starr King Eastern Star Chapter and active in the Mom's Club of Skyline Chapter of Rainbow girls where her daughter Arline heads the group as Worthy Advisor.

We salute Marian Plansky as Community leader of the week. The Plansky family, husband Mendel, and daughter Arline live at 85 West Moltke.

A "one woman" showing for Pacifica artist Sherri Thomas at the Lysle Gallery of Fine Arts at the Fairmont in San Francisco. On exhibit until July 27 are 35 of her oils, mainly landscapes and seascapes. Further recognition has come to her when three of her paintings were selected for the cover of the San Francisco Amusement Guide. On last week's issue was a painting which was recently purchased by the Bank of America for their conference room. Active in art circles in Pacifica she is vice-president and program chairman of the Pacifica Art Guild.

FASHION HINTS: Colors are brilliant, materials are rich and the trend is towards fur trim—that is the latest word on style news for fall coats. Penneys is now holding their annual "coat caravan" with hundreds of new fall coats on display. Among the luscious colors is electric blue with silver fox trim, bone with bleached blonde mink collars.

FASHION WHIRL: Jewelry fashions by Emmons will be shown at an afternoon fashion show to be held at the Red Chimney in Stonestown this Friday (July 12) as a benefit for the Westlake Chapter of the City of Hope. Jewelry fashions will include tailored to glamorous necklaces, bracelets, pins for evening wear. Tickets may be purchased at the door (50c) and coffee and pastries will be served.

We do want to express our personal "thanks" to the many readers who gave magazines for the patients at Laguna Honda Home. Jo Berry told us that her telephone has been ringing constantly since our appeal so she now has enough magazines for the present. We'll remind you again when she needs more.

Between Us Gals:

Road Games Improve Family Touring Fun

By Bunny Gillespie

A wise man once said, "Scenery is wasted on youngsters," but every vacation time millions of us try to prove him wrong and head off to the scenic wonders of our land, dragging our children behind us.

Nothing is more distressing to the driver of the family car than the sounds of squirming youngsters bickering and complaining mile after mile.

The cars with back seats separated from the front with sound-proof glass may be one solution, but there are other ways to alleviate some of the boredom inflicted on traveling tots.

Because the kids are relegated to the back seat, they should not become second-class family members and, by virtue of their location, be eliminated from the pleasant small-talk that flows so freely between the driver and his seat-partner.

Not that every moment should be devoted to amusing the children, but a little rider-reprieve will make them just a wee bit more cooperative when those needed times of quiet on their part are requested.

To ease driving tension, and for family fun on long trips, have you tried some of these favorite games?

Alphabet Game
Players take turns naming objects they see from the car, in alphabetical order: such as Aeroplane, Bird, Creek, Dog, etc.

O Say Can U C
Players take turns locating numbers, in order, on license plates, speed limit signs, house numbers, etc.; or spot the alphabet in sequence.

Mileage
At the command of the driver, all passengers guess at the distance to a point indicated, such as a house, signboard, turn in the road, tree far ahead, etc.

All state their estimate and remember it, but the driver checks the mileage on his speedometer to determine the winner.

Memory
One person starts the game by stating, "I saw a . . ." recalling some interesting object seen or place visited so far on their travels.

Next player repeats phrase and object, and then adds one item.

Next person repeats in exact order and adds something else. If player cannot remember what has been said and seen, he must drop out of the game.

This game may also recall what went into suitcases, with players saying "I was packing to come on this trip and I packed a . . ." Succeeding players repeat and add items.

Spelling Game
This is a good one for vacation spelling practice, and for fun! (To gain tease, try it with your spouse using only foreign-language words.)

The driver starts with a word, any word, and the next player must say a word starting with the last letter of the driver's word.

Each player, in turn, names a word starting with his predecessor's last letter such as "Hungry," "Yellow," "Was," "Sent," etc.

This game can go on forever.

Another variation is to have the words form sentences, such as "In," "Nevada," "All," "Ladies," "Seen," "Merry."

20 Questions
This old favorite is always fascinating.

One player thinks of a person or a specific object, anywhere in the world. The other players then ask him questions in an attempt to find out what the subject is.

Only 20 questions are allowed and each question must be answered with an "I don't know," "Yes" or "No."

Any player may ask a question at any time, but the answering player keeps track of the number of questions.

The player that names the correct person or object is the person to think of the subject for the next game and the one to next be quizzed by the group.

Buzz and Buzz-Buzz
Here's a game that requires

NEWLYWEDS FRIEDA and George N. Petrovitsky, Jr. are shown as they greeted guests following their recent marriage at Parkwood Methodist Church. (Photo by Milton Mann.)

Cliff House Party Follows Wedding

A reception at the historic Cliff House overlooking the Golden Gate followed the recent exchange of vows by Frieda M. Griffin and George N. Petrovitsky Jr., who were married at Parkwood Methodist Church in South San Francisco.

The bride is the daughter of Mr. and Mrs. Lawrence O. Griffin of 347 Valverde drive in the Avalon Park section of South San Francisco, and her bridegroom is the son of the senior George N. Petrovitsky of 763 So. Mayfair avenue in Westlake.

Frieda, who attended South San Francisco High School and San Francisco State College, wore a full-length gown of white nylon, which was styled with a boat neckline and cap sleeves, trimmed with lace nylon over white tulle. Frieda's finger tip veil was secured by a pill box and she carried an arrangement of white orchids.

In the absence of her father, whose duties at sea kept him from attending the ceremony, the bride was given in marriage by her brother, Larry Griffin.

Mary Griffin was her sister's maid-of-honor and Sonia Blake, sister of the bride, served as bridesmaid with Jeannette Ayer and Janet Thompson. All of the feminine attendants wore powder blue sleeveless frocks, with matching shoes and handpieces. The hats had been designed and created by Mrs. Blake. The feminine contingent carried similarly-fashioned bouquets of carnations. The honor attendant carried pastel blue flowers while the other bridesmaids carried nosegays of light yellow blooms.

Gerald Schreier served the bridegroom as best man and John Blake, James Parquer and William Turner were in charge of the seating of guests at the 8 p.m. nuptials. The ceremony was read by the Rev. Milton S. Jarrett.

Gladioli and white stock had decorated the sanctuary of the church for the wedding and similar arrangements were used for the reception. As she greeted guests, the bride's mother, Mrs. L. O. Griffin, wore a light blue crepe and shantung sheath dress, which was fashioned with short sleeves. A white hat accented her ensemble. The bridegroom's mother wore a two-piece aqua sheath of silk crepe with matching hat and shoes.

Before departing on a honeymoon trip to Southern California and Las Vegas, the new Mrs. Petrovitsky donned a linen electric blue suit.

George, who was graduated

WOMEN'S ACTIVITIES

Engagement Announced

Dr. and Mrs. Edward Patrick Shannon of San Carlos wish to announce the wedding of their daughter, Patricia Gale, and Dennis Leslie Tholen of Daly City. The wedding will take place in the Community Congregational Church in San Carlos, Aug. 3 at 4:00 p.m.

Patricia is a graduate of Carmont High School in San Carlos. She has three brothers, Michael, Lloyd, and Neil and one sister, Myra, and two grandmothers, Mrs. L. H. Chase and Mrs. E. P. Shannon all living in San Carlos.

Dennis is the son of Mr. and Mrs. Frank Leslie Tholen of Daly City. He was graduated from Jefferson High School. He has two sisters, Mrs. Robert Riley of Sunnyvale, and Laurie Tholen of Daly City, and grandmother, Mrs. E. A. Aldridge of Redwood City.

Going boating? Then here's a Red Cross tip: Don't let anyone ride on the fore deck or gunwale of an outboard. A sharp turn or rough wave can toss anyone overboard.

MRS. ANTHONY DUFFY has been named chairman of the St. Veronica's Women's Club of South San Francisco annual fashion show and luncheon to be held at the Fairmont Hotel Oct. 12. Fashions are to be shown from El Lisbes and proceeds from the affair will benefit the building fund of St. Veronica's parish.

GS Troop No. 124 Hostess Gay Luau

Presentation of proficiency badges highlighted the recent father-daughter luau hosted by members of Daly City's Girl Scout Troop No. 124 in the Coral Room of the Daly City War Memorial Building. Sharing the evening's highlight of interest was the investiture of Miss Jane Engens as the new co-leader of the troop, to serve with Mrs. Harry Kordoules.

Decorations and entertainment with a Hawaiian theme were arranged by the girl scouts and included community singing and dancing. Among those present were Edward Sawyer, and his daughter Marian; Diane and Mr. Allen; Robert Ansaldo and daughter Virginia; Donna Bovero and her grandfather; Rinaldo Camizli with daughter Barbara, and Mary Driscoll; Maurice Clark and daughter Noelle; Stanley Doughty and daughter Celeste; Ellen Gerino with her escort; Emil Sinker and daughter Barb; Frank Schweitzer with daughter Judy; Girl

Hillcrest Circle Grand Auditor, Is Named

On June 24th, 1963, Hillcrest Circle No. 143 met at the Eagles Hall in Daly City to welcome home their newly elected Grand Auditor, Eleanor Cameron; Past Grand Arch Druidess Grace Hill and their four delegates from the convention held in Redding, California, June 16th to 20th, 1963.

A reception will be held on July 22, 1963 honoring the Grand Auditor, Eleanor Cameron on her advancement to the Grand Circle of Druids of California and Nevada. After the meeting refreshments were served by the refreshment chairman and her committee.

The members of Hillcrest Circle No. 143 of Druids held their semi-annual Rummage Sale, June 23 and 25 in San Francisco which was reported to be very successful and are looking forward to the next sale, a bigger and better one.

Has an accident occurred in your home lately? That's where most of them happen—right around home. And small children are frequently the victims. Want to help prevent injuries? Then take ten hours of your time to learn priceless first aid skills. Training is free at your Red Cross.

D. C. Jobies Are Champ Marchers!

The winner of the first place award in the military division at the recent Grand Bethel of California International Order of Jobs Daughters meeting was the drill team from Bethel No. 198 of Daly City.

In attendance at the three-day session held in Oakland were 7000 delegates from around the state of California.

This was the third championship for the drill team from Daly City. In previous years they had received both a state and national trophy.

The girls are smartly dressed in red plaid pleated skirts, white satin long-sleeved blouses, jaunty red plaid overalls caps and white boots. They practice once a week after school at Colma school grounds.

Members of the winning drill team from Daly City include: Janice Keith, Jo Ann Jacobson, Yvonne Felch, Linda Long, Janice Garretson, Margie Long, Diane Ramussen, Fredi Clemon, Kay Parry, Janet Cuniberti, Phyllis Harris, Judy Foster, Karen Sifer, Jessica Schutz, Valerie Bussey, Penny Pulsifer and Linda Johnson.

Drill instructor is Lyle Knox for the Daly City group.

Knights of Pythias Annual Dinner

The annual member-wife dinner of San Francisco lodge 45 of Knights of Pythias will be held Monday evening at Joe's of Westlake. Dinner is at 7 p.m. preceded by cocktails at 6:30 p.m.

Members are urged to make reservations by calling Ted Gourlay at UN 3-0888 daytime, HE 1-3749 nights, or Chas. Cunningham at WY 2-4018. Prospective members are also invited to the event.

City Of Hope New Chapter To Install

The first chapter to gain its charter during the Golden Anniversary Year of the City of Hope, in San Francisco, is the Golden Torch Chapter.

The Chapter will hold its first installation of officers on Tuesday, July 16, at 8 p.m., at the Serra Bowl in Daly City.

The installing officer will be Mrs. Irvine Jonah, and the installing marshal will be Edward Mann, past president of TSSL Chapter.

In honor of this first group of officers, Mr. and Mrs. Joseph Ferber will host the reception to follow the installation.

New officers will be: President, Jerome Gorodsky; Vice-President, Morris D. Mellen; Recording Secretary, Max Barash; Treasurer, Al Cooper and Corresponding Secretary, Bess Plotnick. The trustees are William DeMarrais, Len Barash and Joseph Ferber.

A premeeting no host dinner will start at 7 p.m. and all are invited. For reservations, call E. Gorodsky at DE 4-2252 or G. Ferber at JU 7-0538.

OFF TO EUROPE are members of the San Francisco State College-sponsored tour group that is enjoying 59 days of exposing themselves to "culture" under the guidance of Westlake resident, Dr.

Baird Whitlock (shown at far left). Chairman of the Division of Humanities, Language and Literature and head of the English Department at State, Whitlock will shepherd

his group to Belgium, Denmark, Netherlands, Germany, Switzerland, Liechtenstein, Austria, Italy, Monaco, France and England. (Photo by Sabena Belgian World Airlines.)

A WEDDING NEXT YEAR is in the plans for Madeline Patricia Mulholland and John F. Fendegast Jr., whose betrothal was announced at the home of the future bride's parents, Mr. and Mrs. J. Francis Fendegast of 101 Westwood drive. Madeline is the daughter of Mrs. James Mulholland and the late Mr. Mulholland, and a graduate of Mercy High. She is now attending San Francisco City College. John, a Riordan grad, attends the SF College of Arts and Academy of Art. (Photo by Milton Mann.)

Souza-Paz Wedding In Azores

Mrs. Gizela Souza has just arrived from the Azores, where she returned to marry Antonio Jose Souza.

The groom's mother lives in Livermore. The bride, the former Gizela Paz, will resume her position as assistant manager of Chicken Delight, 6712 Mission Street, owned by her brother, Bert Barbosa.

The church wedding took place in San Miguel and was attended by the American Consul and a party of 500. The couple then honeymooned for two weeks at the Terra Nostre Hotel in Furnes.

Qualifications for teaching in colonial days required little more of the teacher than stern discipline and ability to read and write.

A weighted champagne bottle, serving as a plumb at the end of a line determined in 1875 that the maximum depth of Lake Tahoe was 1,645 feet.

OLD FRIENDS got together recently for a 44th-year reunion of the 1919 Jefferson Grammar School graduating class. Of the 28 members of

the class, 15 were present at Brentwood Lodge, plus two of their former teachers. Shown standing, from left to right, are Fred Lagomarsino, Irene

Blanchi, Myrtle Ferro, Ben Facetti, Norma White, Aurelio Bertetta, Marie Wholer, Laura Toso, Fabiana Ver Linden, Ernest Vanni, Elmer Ken-

nedy (DCFD chief) and Leo Kusber. Seated, in the same order, are Romilda Ramachetti, Marcella Sullivan (7th grade teacher), Clara Bell,

Mary Dowd (8th grade teacher) and Anna Kennedy. Maiden names have been given for feminine classmates. (Photo by Douglas Mack.)

Camp for Retarded Still Has Openings

There are still openings in the three summer camp sessions to be held at Jones Gulch, La Honda, for mentally retarded children and adults.

Jack Marbury, President of the Parents Association for Retarded Children of San Mateo County notes that the camp program is specially structured for children with mental handicaps and that each day is well rounded out with a program of swimming, arts, crafts, nature studies and games.

The camp operated by Aid Retarded Children—San Francisco in conjunction with San Francisco State College and the San Francisco YMCA will have a well qualified staff of intern graduate students serving as counselors to assist the children.

Children who suffer handicaps which restrict them from participating in other camps are welcomed here. There is a real need for community support in the form of full and partial camperships to assist the greatest number of San Mateo County children to attend these sessions Marbury said in a recent meeting between the San Mateo and San Francisco Retarded Children's Associations.

The camp will accommodate a full quota of 190 campers with San Mateo contributing some 40 children to this program. The San Mateo and San Bruno Elks Clubs together with the Parents Association have responded to the appeal for aid and service clubs, sororities, fraternities and Foundations are encouraged to offer financial assistance by sponsoring one or more children. Details relative to sponsorship may be obtained from Jack Marbury by phoning EM 8-0776 or writing to 142 Nimitz Avenue, Redwood City.

The camps are located in Jones Gulch near La Honda in San Mateo County's forested mountains.

SPECIFIC camps will include:
July 13-27, for fairly active adolescents.

July 30-Aug. 6, children from eight to 13 years.

Aug. 8-23, more-dependent campers over 13.

Children with cerebral palsy, seizures and visual handicaps will be welcome. Diets can be managed. A nurse will be on duty and a doctor on call.

Laguna Salada Employees Named For Conference

Laguna Salada Chapter 128 of the California School Employees Association has elected three of its 80 members as delegates to the association's 37th annual conference, which will be held in San Diego from July 23 to 27, with the El Cortez Hotel as conference headquarters.

The three delegates, all classified employees of the Laguna Salada Union School

District, are Elmer Howe, president of the chapter, 896 Reina del Mar, Pacifica; Shirley Carr, 1112 Mason drive, Pacifica, and Harry Shelly, 272 Reichling avenue, Pacifica.

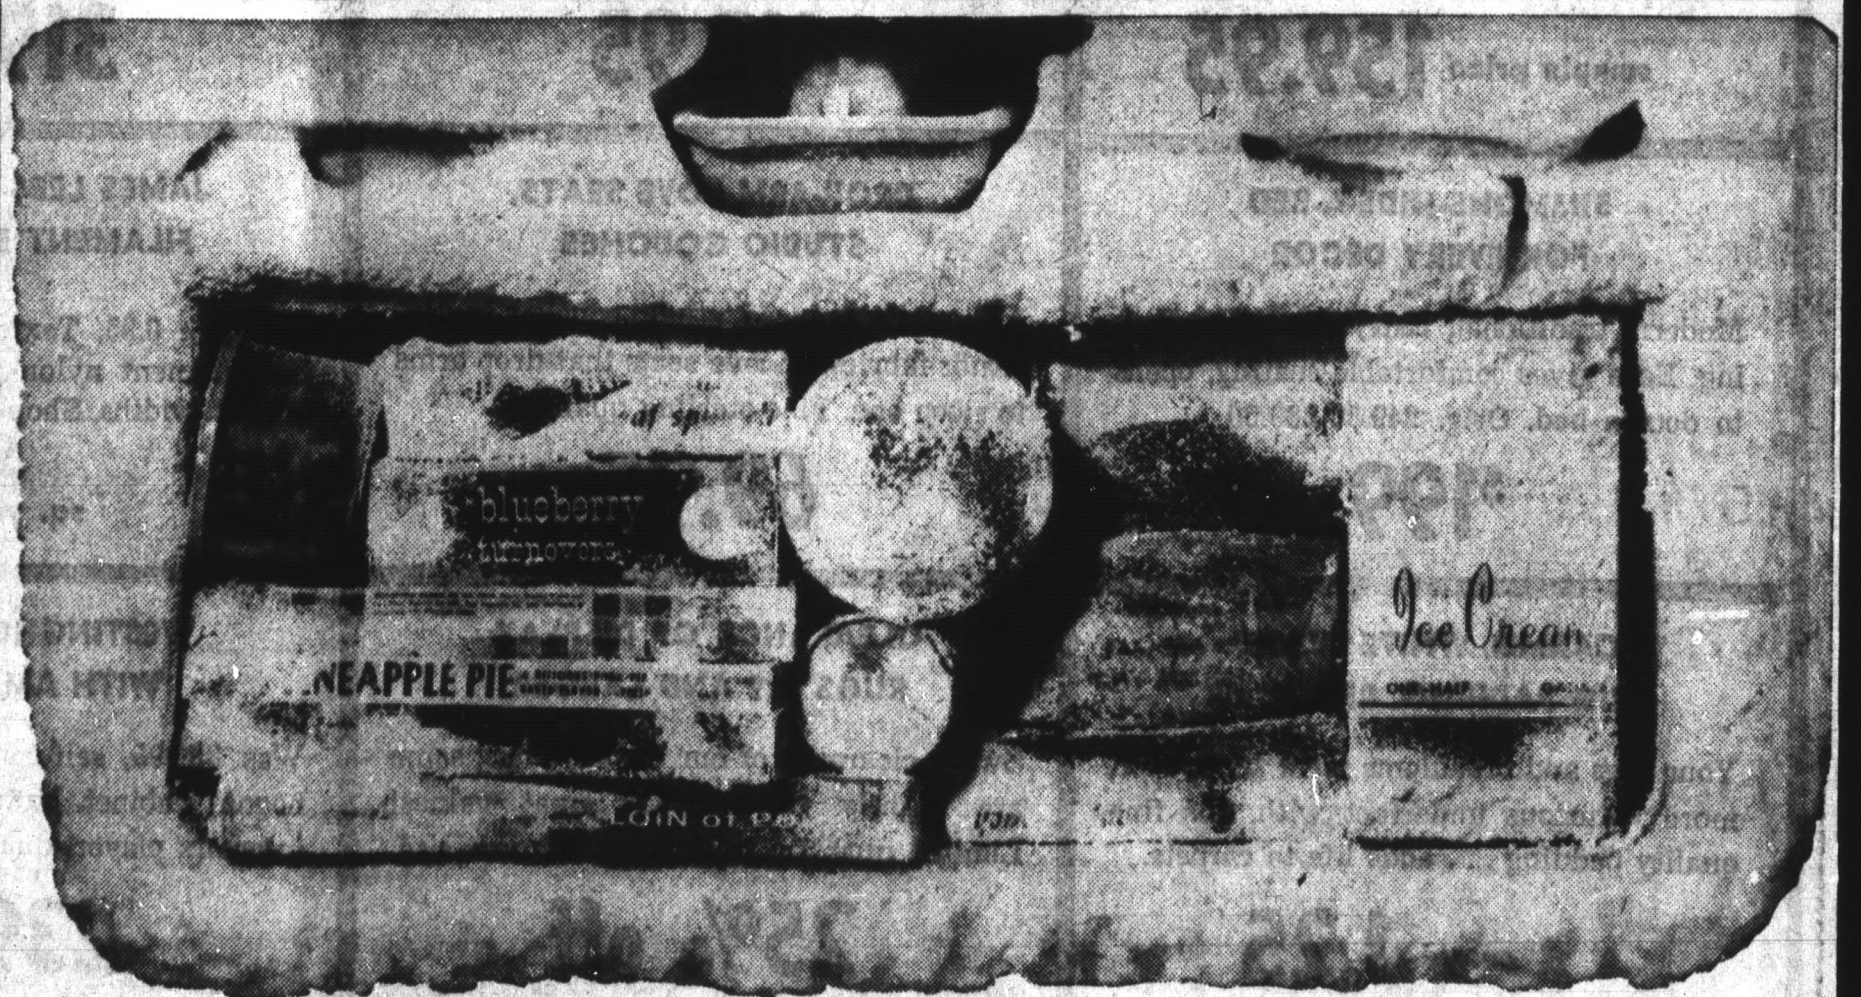

The conference will be at-

tended by some 2,000 delegates and visitors from school districts throughout the state. Delegates will be called upon to decide association policy and elect officers for the coming year.

Local Teacher Attending Science Course

Carl Kauffeld, a teacher at Westmoor High School, is currently attending a National Science Foundation summer training institute conducted by the University of California Extension at the Berkeley campus.

Kauffeld, who resides at 1155 Oakwood drive in Millbrae, is engaged in studies on physiology.

More than 350 teachers from high schools throughout the United States are taking part in the Berkeley summer program, which is designed to strengthen science instruction by acquainting teachers with recent scientific research and new concepts in teaching methods.

Eight institutes are being conducted in varied fields, including physics, biochemistry, radiation biology and earth sciences. The institutes are six to eight weeks in length and are directed by top scientists and research specialists on the University of California faculty.

Reservists Return From Summer Camp

David M. Brudney, 280 Lake Merced boulevard, William A. Maches, Jr., 263 St. Catherine drive, and Stanley J. Brenner, 300 Park Plaza drive, have returned home from their annual two week active duty tour with the 349th Troop Carrier Wing of Hamilton Air Force Base.

Maches and Brenner spent the entire two weeks at the Marin County base while Brudney divided his time between Hamilton and the 349th's Summer Camp Headquarters at Gowen Field in Boise, Idaho.

The three Air Force reservists are just a few of the many Daly City residents who serve with the 349th.

While at Boise, the 349th conducted cargo delivering exercises under simulated war time conditions. In time of war, many vital areas are cut off from support and the only way to bring supplies and equipment into these regions is by airlift. It is in this capacity that the 349th remains ready to serve whenever needed.

NOTICE OF TIME AND PLACE OF HEARING OF APPLICATION FOR USE PERMIT

WHEREAS, pursuant to Ordinance No. 244 and 245 of the City of Daly City, California, an application for use permit under Ordinance No. 244 has been filed for erection of one back-to-back 15' x 25' illuminated poster panel on the following described property:
YOU ARE HEREBY NOTIFIED that the Planning Commission of the City of Daly City has set the time and place for hearing all persons interested in or objecting to said use permit for Tuesday, the 26th day of July, 1963, at the hour of 2:00 p.m. of said day in the Council Chambers, City Hall, Daly City, San Mateo County, California, at which time the said Planning Commission will hear any evidence offered by any person interested in or objecting to said use permit.

Said property is situated in the City of Daly City, County of San Mateo, State of California, and described as follows:
Lot 1, located on the northeast corner of Junipero Serra Boulevard and Clive Avenue.

LEONARD J. BROWN
Secretary, Daly City
Planning Commission.

SUMMONS TO ESTABLISH TITLE

No. 1685
IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA IN AND FOR THE COUNTY OF SAN MATEO

B.R.B. HOMES, INC., a California Corporation, Plaintiff, vs. All Persons Claiming an Interest in or Lien Upon the Real Property Herein Described or Any Part Thereof. Defendant.
THE PEOPLE OF THE STATE OF CALIFORNIA:

To all persons claiming any interest in or lien upon the real property herein described, or any part thereof, defendants, greetings:
You are hereby notified to appear and answer the complaint of B.R.B. HOMES, INC., a California Corporation, plaintiff, filed with the Clerk of the above entitled Court and County, within three months after the first publication of this Summons, and to set forth what interest or lien, if any, you have in or upon that certain real property or any part thereof, situated in the City of Daly City, County of San Mateo, State of California, particularly described as follows:

All that certain real property situated in the City of Daly City, County of San Mateo, State of California, described as follows: Lots 7 and 8, as designated on the Map entitled "MAP OF THE PROPERTY OF THE WEST END HOMESTEAD ASSOCIATION," which map was filed in the office of the Recorder of the County of San Mateo, State of California on January 25, 1955, in Book 4 of Records at page 415. EXCEPTING THEREFROM so much of said lots as lies within the City and County of San Francisco.
And you are hereby notified that, unless you so appear and answer, the plaintiff will apply to the Court for the relief demanded in the complaint, to-wit: That it be adjudged that the plaintiff is the owner of said property in fee simple absolute; that the title to said property is established and quieted; that the Court ascertain and determine all estates, claims, interests and claims in and to said property, and every part thereof, whether the same be legal or equitable, present or future, vested or contingent, and whether the same consist of mortgages, liens or of any description; that plaintiff recover its costs herein and have such other and further relief as may be just in the premises.
WITNESS my hand and seal of the Court.
Dated June 12, 1963.

EXCITEMENT on Shakespear St. came mid-week when a firecracker was set off in a drain, bringing two pieces of fire apparatus and about three million kids—few being pictured here.

Coyote Point To Become Recreation Center

Development of Coyote Point as a major recreation center for San Mateo County and enhancement of Coyote Point Yacht Harbor as one of the finest in the Bay Area was assured this week through the cooperation of Congressman J. Arthur Younger with the San Mateo County board of supervisors and College of San Mateo officials.

When the College of San Mateo moves to its new location at College Heights this fall, Younger said, the county will be prepared to immediately acquire the 29 acres of Coyote Point, occupied by the campus plus 284 acres of inundated tidal flats which will be partially filled and partially retained in their present state to augment the best activities.

The county is buying the land from the government for 11/20ths of its appraised value when acquired by the college in 1954. The college, because it is an educational institution, was able to use the land free of charge for nine years and each year the land value was amortized five per cent. Cost to the county will be \$761,600, but through the Open Space Land Program of the federal government, as authorized by the Housing Act of 1961, 20 per cent of the cost to the county will be made available through federal funds in the amount of \$156,320, reducing the net cost to \$605,280. County manager E. R. Stallings said the funds have been budgeted and legal steps to acquire the property will proceed on schedule. The area must be used for recreational, conservation, historic and scenic purposes. The program is designed to prevent urban blight by providing for permanent open land use of the property.

Coyote Point was purchased from private owners in 1938 by the county board of supervisors, following a major political battle with Frederick Peterson, then county manager, who opposed the purchase. In 1942, the property was turned over to the United States Maritime Commission, which requisitioned it as a wartime necessity, and the

U. S. Merchant Marine cadet basic school was established there. Thousands of young men were trained there during World War II, and all of the present facilities utilized for the past nine years by the College of San Mateo, including buildings and swimming pool and athletic areas were built by the Maritime Commission.

Water and sewage was provided by the cities of Burlingame and San Mateo as an aid to the war effort. When the growth of the College of San Mateo became apparent, Congressman Younger, in cooperation with the college board of trustees, requested use of the property and facilities for the college, which was granted on a no-cost basis in 1954.

When College of San Mateo made plans and secured passage of a bond issue for construction at College Heights, county officials, working with Younger, took immediate steps to regain ownership of the property for recreation purposes, which will be culminated next month.

Younger said the acquisition is a major step in the county's long-term master plan which provides for acquisition of 6,000 acres of open land during the next ten years to preserve the proper balance in the development of the county.

Bufano Exhibit at Santa Clara Tonight
An exhibit of sculpture and mosaics by Benny Bufano of San Francisco will open Wednesday (July 10) at 7 p.m. in the Sales Art Gallery at the University of Santa Clara. Mr. Bufano will speak and show a film at 9 p.m. The exhibit, which is open to the public, will remain until Aug. 4. Regular gallery hours are 2 to 4:30 p.m. daily, except Monday.

Mrs. Murphy's Law

Legislative progress on civil rights for Negroes is bogged down at this writing by the side issue of the civil responsibility of "Mrs. Murphy" and her more affluent competitors such as, say, Mr. Sheraton or Mr. Hilton.

The sticky portion of the administration's bill appears to be Title II, the section that deals with public accommodations. Inevitably and almost immediately, discussion has posed the question of controlling the operations of Mrs. Murphy (the name given by Vermont's Senator George Aiken to the small rooming house or corner store proprietor) as well as the giant hotel, restaurant or department store corporations.

Appearing as the first witness for the president's bill, Attorney General Robert Kennedy has told the anti-trust subcommittee of the House Judiciary Committee, that: "I don't think Mrs. Murphy is going to be in any trouble." He said that the administration would be willing to exempt such small operations from obeying the proposed law against discrimination in privately-owned public accommodations.

In saying that "we would be happy to work out some cut-off line," the attorney general left the impression that such exemptions would be based on the dollar volume of business and the figure of \$500,000 a year was suggested by New York's Representative Emanuel Celler.

Thus it could be that the nation is about to enter a new legislative era under a new concept of justice-by-numbers via a law that would almost certainly come to be known as "Mrs. Murphy's Law." Under such a system—once it was generally established, and compliance was for big operators, big employers and big taxpayers only—the sole problem would be to keep small enough to remain, not "outside" the law, but more literally beneath it.

PRESENTING the John D. andakie, Barbara Kray and Daly Library with a new bulletin board made by the Girl Scout Troop 298 are standing, left to right, Catherine Horne, Mrs. Menconi, Michelle Leon-

Shopping With Sally

Parades, costumes contests, lucky coupons, the WESTLAKE SHOPPING CENTER is celebrating through July 27 with the most exciting treasure hunt... be sure to clip your coupons in this week's Westlake Times & The Record.

Right in the spirit of the celebration are the "pirate girls" at THE FASHION all decked out in pirate hats, patches over their eyes, daggers... P.S. When you drop by to see their costumes don't forget to take advantage of their July clearance... wonderful buys such as pastel mohair coats selling for \$20.00.

A treasure that you will prize for many years are the beautiful matching lizard fall shoes and bags just in at BLOOMS FINE SHOES... sling pump with choice of heels priced at \$24.95 and matching bag price at \$29.95.

Just in time for vacation for that "man in your life" smart gaucho cotton knit shirts, in choice of 12 different colors priced at \$2.99 at FAUSEN'S... slax with self belt in cool cotton (also choice of 12 colors) priced at \$16.95.

Just in at JAY VEE new fall coats with precious mink trim priced at \$45... also going on their July clearance with sleeveless cottons, darters, floral prints selling for \$5.

New addition to the staff at HOME MUTUAL SAVINGS is Westlake resident Patricia Martorana... don't forget you can make your deposits by mail at HOME MUTUAL and they have handy envelopes just for that purpose.

Just in at WESTLAKE HARDWARE... new line of IONA electric appliances... smart modern design, streamlined of chrome... blender \$29.95, milk shake machine (perfect for snacks for the

youngsters for summer) priced at \$14.95.

Like to collect green stamps and take a trip besides... WESTLAKE TRAVEL CENTER gives green stamps for full value of trip... for instance if trip costs \$1000, you collect 8 books... by the way too, they make reservations for you at resorts, arrange youngsters' camp vacations, have rent-a-car services... telephone WY 2-3322 for more information.

Your own personalized family crest designed to your liking... to put on dishes, silverware, linens... WESTLAKE JEWELER will be happy to give you ideas... do drop by and talk to them about it.

Calling all pirates—big ones, little ones, middle-sized ones... don't forget the parade for youngsters this coming Saturday morning... parade will begin in front of the Westlake Library and march to WESTLAKE SHOPPING CENTER where costumes will be judged for prizes.

Airman Pichardo Is Reassigned

Airman Pablo E. Pichardo of Daly City is being reassigned to Davis-Monthan AFB in Arizona following his graduation from the United States Air Force technical training course for accounting and finance specialists at Sheppard AFB, Texas.

Airman Pichardo, son of Mrs. Nelly Stoffel of 75 Menlo avenue in Daly City, studied Air Force payment and collection procedures, appropriations, and general ledger entries, with special emphasis on travel and military pay. The airman, a graduate of Saint Ignatius High School in San Francisco, attended City College of San Francisco.

Letters to The Editor

July 3, 1963

Dear Sirs:
On behalf of all the members of the "North Peninsula Circle" Florence Crittenton Home" I want to thank you so much for the help you have given us through your publications.

Our success as a newly formed circle is due in part to your cooperation.

Many thanks.
Sincerely yours,
Kathryn Geebon
Corresp. Sect.

Building Permits Total \$511,262 For Month of June

Building permits totaling \$511,262 in construction were issued by the Daly City Building Inspectors office in June.

The permits included an 18-unit apartment house at 6036 Mission street, and 16 new homes in the Southern Hills development. A total of 75 permits were issued.

TV and RADIO

By Mona Baker

Each year throughout the country many awards are received by television programs—some are meaningful, others not too important. However, certainly an honor for KRON-TV was received last week when Attorney General Stanley Mosk gave a "Certificate of Commendation" to Channel Four—the first time such an award had been received by any news media.

In an impressive ceremony at the Fairmont Hotel, Attorney General Mosk honored the station for their documentary on narcotic addiction entitled "Junkie" which was seen over their weekly "Assignment Four" series shown on Mondays at 6:30 p.m.

In turn KRON-TV General Manager Harold See gave a print of the film to the State Department of Justice to be used in the training of narcotic agents, before club groups or wherever the public needs to be informed.

"Junkie" was a most moving and powerful documentary portraying so vividly the suffering of addicts as well as the work of narcotic enforcement officers.

The citation received by the station reads: "This film is not only an outstanding contribution to the art of television feature journalism, it is a thoughtful and educational treatise on a major law enforcement problem."

Congratulations to KRON—we are looking forward to more such outstanding programs on the "Assignment Four" series.

Scheduled for fall viewing over NBC is a new full-hour dramatic series about a teach-

Something for Everyone

By Samuel Chandler

Listen whitman "Because my mouth is wide with laughter And my feet are gay with song You do not know how I suffer I've held my pain too long."

There is a message for America in these words of Langston Hughes and in the words of the other negro writers represented in the book, "Soon One Morning." The authors represented are poets, professors, journalists—all of them educated men and women—not agitators. Yet they are chroniclers of contemporary Negro thought and opinion.

Langston Hughes speaks for them in these words:

"From river to river Uptown and down, There's liable to be a confusion When a dream gets kicked around."

The dream, says Saunders Redding is, to escape from an American way of life that "only Negroes know. It is a ghetto of the soul, a boundary of the mind, a confine of the heart."

The editor of "Soon One Morning" wrote that it was his determination to compile a book "to break through the limits of racial parochialism into the whole range of the modern writers' preoccupations. His success is proven by the wide variety of selections: poetry, reviews, criticism, letters, fiction, history.

Yet in each selection there is a concern with problems facing American Negroes. Some tell of the black man's deep set longing to identify with an America that has assimilated all other races but his own. Some remind white men of the principles of freedom that his country gives to all other Americans. Some demand equality and some

threaten dire consequences if a solution to the Negro's problems is not found. Surely "Soon One Morning" is a book that alert Americans should read.

PHYSICIANS PRESCRIBE VACATIONS

Most physicians feel that a change from the usual strains of everyday living conditions is very beneficial to a person's health. A vacation is usually suggested to allow your body to have physical and mental relaxation.

To insure a happy and healthy vacation, you should see your physician for a health check-up. Don't let a possible illness spoil an enjoyable time. Remember to have a sufficient supply of any medicines which you may need for regular or emergency need.

YOUR DOCTOR CAN PHONE US when you need a medicine. We deliver promptly to Daly City, Westlake and St. Francis Heights without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

CHURCH NEWS

Guest Speaker At Bethel Church

Reverend Paul Bruton, former missionary to Africa, will be guest speaker at Bethel Church of Pacifica, Sunday, July 14. The services will begin at 11 a.m. and 7 p.m.

The highlight of the evening service will be the showing of a film of Africa which was taken by Rev. Bruton while he was a missionary there. The Brutons were missionaries in Africa for 15 years.

Mrs. Bruton was guest speaker at the Mother and Daughter Banquet held at Bethel last May 10.

Bethel Church of Pacifica extends an invitation to the public to attend these services. The church is located on

Adobe Drive and Higgins Way in Linda Mar.

DAVID H. SUTHERLAND, Church, M.D., to speak at Seaciff

Parent Concerns:

Adolescent Change Is Seaciff Topic

"Changes taking place in adolescents... physical, emotional and spiritual" will be the topic of discussion Sunday evening at 6:30 p.m. as Dr. David H. Sutherland leads the adult fellowship group in a probing of mutual parent concerns at the Seaciff Community Church, 50 Northridge drive, Daly City.

Dr. Sutherland, who is an orthopedic surgeon, was born in China. He attended Northwest Nazarene Academy and received his bachelor of science degree from the University of Washington at Seattle. He was awarded his M.D. from Marquette University at Milwaukee, Wisconsin, and interned at St. Louis City Hospital in Missouri, after which he served his surgical residency at Wellborn Hospital Clinic in Evansville, Indiana.

For three years, Dr. Sutherland served with the United States Air Force and received specialty training in orthopedic surgery at Ft. Miles Veterans Hospital in San Francisco, the San Francisco Children's Hospital and the Shriners' Hospital in SF.

Now an assistant clinical professor of orthopaedic surgery for the University of California, Dr. Sutherland is also an assistant surgeon at the SF Shriners' Hospital for Crippled Children and a member of the board of directors in San Francisco for Youth for Christ.

The speaker is married to the former Miss Mildred Nees of Homestead, Montana, and is the father of six children, ranging from 5 to 18 years of age.

Lecture Series at Lincoln University

"The Responsibilities of a Drama Critic" will be Stanley Eichelbaum's lecture topic, Tuesday, July 9, at Lincoln University's Summer Symposium: "Creativity in the Arts."

The Series is designed principally for women, but men are welcome.

A well-known drama critic in the Bay Area, and previously in New York, Mr. Eichelbaum's lecture is third in a series of six given by Lincoln.

Future lecturers include sculptor Benny Bufano, July 16; Dominican poet and monk, Brother Antoninus, July 22; and famed printer Lawton Kennedy, July 30.

All lectures begin at 2:00 p.m. and the public is invited to attend. A moderate fee is charged.

Lincoln University is located at 2518 Jackson St., near Steiner.

New Minister Called To Methodist Church

Because of a shortage of ministers in the California-Nevada Conference of the A. Wolfe has responded to the call of our District Superintendent, Dr. Clifford Crumey, to become the pastor of Wesley Methodist Church, Daly City, for this Conference year.

Dr. Wolfe, born on a farm in Iowa, received his A.B. and D.D. degrees at Simpson College and his B.D. at Garrett Theological Seminary, Chicago. After completing his seminary work he preached in Chicago, later preaching in Washington and Oregon for 32 years, serving one term as District Superintendent. During these years Dr. Wolfe attended one General Conference, one Jurisdictional Conference, and represented the Methodist Church at a World Missionary Conference.

Dr. Wolfe retired five years ago in the State of Washington. Then he was asked to serve as associate minister at the 1st Methodist Church in Sacramento, where he served four years. Last year Dr. Wolfe spent his time in the Faith and Life Missions and gave two months as an interim minister in a Presbyterian Church.

Dr. Wolfe served as a Lieutenant in WW I and was the American Legion Chaplain for the state of Washington for one year. He is a Scottish Rite Mason.

The Wesley Methodist Church is anticipating a wonderful year under the able leadership of Dr. Wolfe, who began his ministry in Iowa in 1916.

Dr. Wolfe and his wife reside at 1325 Southgate avenue. We extend a most cordial

welcome to all living in this community who are not now attending some other church. Every Sunday morning services will be conducted at 11:00 a.m. At present the worship services are being held in the multi-purpose room of the Thomas Edison School, Southgate and Lincoln avenues. For more information about the church, please call WY 2-5330.

Methodist Men Breakfast At St. Paul's

The Methodist Men of St. Paul's Methodist Church, South San Francisco, will meet for breakfast on Sunday, July 14, at 7:30 a.m. Max Conley is president.

Rev. Robert A. Lundy of St. Paul's Methodist Church, South San Francisco, will preach upon the theme "The Glory of the Commonplace," Sunday, July 14, at 9:30 a.m.

The Vacation Church School held at St. Paul's Methodist Church, South San Francisco, for kindergarten through 8th grade, is now in progress. Mrs. John Rummell is superintendent assisted by Mrs. Marshall May.

Youth Rally at First Baptist Church

An Associational Youth Rally of the Southern Baptist Association will be held Saturday night at the Daly City First Baptist Church.

Summer Missionary Jim Johnson will be the speaker at the meeting scheduled to start at 7:30 p.m. All young people and their leaders are invited to attend.

The First Baptist church is located at 542 Lisbon street.

Folk Dancing On Fridays

The El Camino Reelers of Daly City are enjoying a summer session of folk dancing on Friday of each week, from 8 to 10 p.m. at the War Memorial Community Center.

After a slow start, they are suffering blissfully from a case of spontaneous combustion. Given the choice of a holiday or dancing on the Fourth of July weekend, the enthusiastic group promised 100 per cent attendance for an evening of dancing.

The summer session will be informal and relaxed. The theme is to be ballroom dances based upon folk steps and rhythms such as the tango, cha-cha, samba, rumba, El Mar Caribe done to "Limbo Rock" and the new Greek Couple Hassapiko. So that newcomers will feel at home, there will be a thorough review of folk dances previously taught. In the middle of the evening there is time for chatting over a friendly cup of coffee and cookies.

It is not too late to attend. Single women are welcome, if they don't mind being "men" sometimes. But, if possible, bring a partner. A few extra single men will find partners already in the class.

Seeks Topsoil Removal Permit

The San Mateo Planning Commission will consider a request by Arthur Haskins, Inc. for a top soil removal permit in the Shristen Ranch.

The applicant seeks to remove topsoil from property located between Skyline on the west, Junipero Serra on the east, Westborough on the south and Daly City limits and Chinese Ce metary road on the north, being 240 acres. The hearing is set for 1:30 p.m. today.

Westborough Seeks Change in Zoning

The San Mateo Planning Commission will hold a second hearing this morning at 10 a.m. on application of Westborough Homes for an amendment to the zoning ordinance. The firm seeks to reclassify 9.757 acres at the junction of Skyline Blvd and Westborough Blvd opposite Fleetwood Drive from agricultural to neighborhood commercial.

String Quartet To Appear at Our Redeemer's

The Felde String Quartet, a part of the noted Felde Family Ensemble from Barbourville, Kentucky, will be presented in a concert at Our Redeemer's Lutheran Church Thursday, July 18 at 8 p.m. In addition to the quartet, the Ensemble includes the children's parents, Mr. and Mrs. Maurice Felde, both teachers, and three other children. They will appear in a full evening of music ranging from simple folk hymns to a Haydn string quartet. Pastor Irvin Tweet invites the public to attend.

Hours:

Mon., Tues., Thurs., Fri. 10 a.m. to 3:30 p.m.

Mon. Eve., 6:30 to 7:30 p.m. and by appointment

Not limited to only women and children

DR. EDWARD A. WOLFE Minister of Wesley Methodist has been called to become Church, Daly City.

Vacation Bible School At Westlake Lutheran

"When The Lord Smiles on You," will be the subject of Pastor Kenneth Hansen's sermon Sunday, at Westlake Lutheran Church, on Avalon at Westmoor.

"Walking With God," will be the theme of Daily Vacation Bible School, August 5 through 9. The time will be 9 a.m. to 2 p.m. daily. Each child is to bring his own lunch and punch will be served. Open House will be held Friday, August 9, from 7:30 to 9 p.m.

The cost for the week will be \$1.50 per person and not exceeding \$5 a family.

The first day the lesson will explain how we became God's children and points to the Bible as God's guidebook for Christian living. The next four days will deal with some of the directives God sets forth in His word. Carefully selected Bible stories and Bible readings will be taught the

children, along with Bible memory passages, handicraft items and songs.

Staff training sessions will be held at the Church, Tuesday and Thursday, July 16 and 18 from 7:30 to 9:30 p.m.

The staff this summer will be Linda Hodgskiss, Cathy Lincks, Juanita Gilbertson, Virginia La Chance, Betty Loftness, Gary Wechsler, Alice Putz, Dorothy La Chance, Gwen Ayers, Claire Pedersen and Mary Lee Woodman.

Retreats Set For July 19-21-26-28

The Holy Family Retreat Association is sponsoring two married couples retreats in July at Vallombrosa Retreat center in Menlo Park. Rev. Eugene J. Boyle, director.

The dates are the weekends of July 19-21, Retreat-Master Rev. Bernard Cummins, and July 26-28, Joseph Green, C.P.P.S. Further information may be obtained by contacting Dario and Anne Gianarelli, DE 3-6837.

Road Patching Is Progressing
Road patching and repair of roads in Daly City is proceeding at a rapid pace, according to City engineer Bill Chapman.

One crew from the road department is covering the city, breaking out bad pavement, then patching them as need for a load of mix is met. As a rule the cutting is done one day and patching the second.

HERE'S THE WAY to celebrate the opening of a new store say John Mullin of Lucky 7 Liquors and John Ferragiaro, manager of the new Lucky 7 Delicatessen in St. Francis Shopping Center.

Visit San Clemente
Enjoying a midsummer holiday in the sun and surf at the San Clemente Inn were Mr. and Mrs. John Foster of Daly City.

Ordinance No. 580
ORDINANCE CORRECTING MINISTRIAL ERROR IN ORDINANCE 576 OF THE CITY OF DALY CITY
The City Council of the City of Daly City does ordain as follows:

1. Through inadvertence and excusable mistake, Ordinance No. 576 of the City of Daly City provided that the property described was changed to a C-1 classification from an R-3 classification.

2. In fact, said Ordinance No. 576 should have provided that the property described was changed to an R-3 classification from a C-1 classification.

FREE male black and white 3 mo. old kitten to good home. WY 2-4264.
